MOBY DUCK

If you want your parents to get you a Daisy B•B Gun, look at it from their point of view.

We'd like every boy to have the thrill of owning a Daisy B•B Gun. But we want them to be ready. And parents can usually tell if they are.

You see, a Daisy is a B•B gun. It's not a toy. And owning a gun is a big responsibility.

How do your parents know when you're ready? Usually they can tell by the way you meet other responsibilities. Like picking up after yourself. Or pitching in when there's work to be done.

But if you're ready, a Daisy B•B Gun can be one of the most valuable things your parents ever

give you. Because it doesn't just take responsibility. It teaches it.

It's the best way in the world for a boy to learn marksmanship and proper gun handling.

So, when you think you're ready for a Daisy, talk it over with your parents. Tell them you're ready to take on the responsibility of ownership.

We'll have the right Daisy B•B Gun for you.

Send for "The Air Rifle Marksman." Mail your name, address, and 25c to Daisy, P.O. Box 220, Rogers, Arkansas 72756.
